Subject Letter No 8908/336 dt the 26th March 1904 from the Dt Supdt, proposing a Scale of Establishment for the Weaving School at Chikmayakanhalli with effect from 1st April 1904 -

In para 5 of G.O No 14668-77 dt 7/4/03 the opening of a weaving School at Chikmayakanhalli with a carpentry class attached to it, was sanctioned and a sum of Rs 2,500 for the Establishment charges of the School and Rs 1000 for contingencies, were also provided in the Budget Estimates of Industrial and other Special Schools in Mysore for the Current official year

(1) The Dt Supdt now states that he has made arrangements for the Starting of the School from 1st April 1904 and requests sanction to the

following scale of Establishment

	do 2 do	" 20
	Total	Rs 168 per mensem or Rs 2016 per annum

The above Scale of Establishment is the same as that sanctioned for the Dodballapur Weaving School

2) As the School will be opened only from 1st April 1908 the charges required during the current year on account of Establishment will be only for 3 months i.e 3 X 168 = 504 Deducting this amount from Rs 2500 sanctioned for the purpose there will be a Saving of Rs 1996 — The Supdt proposes that out of this Saving a Sum of Rs 1000 may be

advanced for the purchase of raw materials required for the Schools, the Supdt being held responsible for the production of these materials or money equivalent to their cost

(3) He also requests sanction to the whole of the metal expenditure of Rs 1000 but states that only such sums as may be absolutely required, will be utilized

(4) Owing to want of houses in a convenient locality it was necessary to engage two small houses for the School from 1st January 1904 at a rent of Rs 10 per mensem and so rent at this rate will have to be sanctioned for 3 months from Jan to March The I Gl states that a large house is under construction and it will be engaged at Rs 12 per mensem as soon as it is completed

SIR

With reference to para 5 of Government Order No. 11668-77 Edn 4-96 dated 17th August 1903 I have the honour to inform you that I have nearly completed my arrangements for opening the new School at Kolar built on the same lines as the one opened at Doddaballapur and request that the following scale of establishment may be sanctioned for the first year commencing from 1st April 1904

-X Vide Edn 760 of 1901-X

Superintendent --	Rs 20
Drawing Master	- 20
Carpentry and Drawing Assistant	20

Contingencies and temporary wages	20
House rent - - -	- 12

Total Rs 158 per	

2 On the recommendation of the Amildar of Chikmankanhalli and the Head Master of the Anglo-Vernacular School of the same place the only two available houses of small size have been engaged for the Weaving School from 1st January last The houses are adjacent and fairly convenient. As there were no other houses available and there was great demand for these houses it was thought prudent to secure them from January Houserent for these houses has therefore to be sanctioned from January at Rs 10 per month. I am negociating to get a large and convenient house which is under construction at Rs 12 per month as soon as it can be finished

3 I request that Rs 1000 provided for initial expenses by para 5 of the Order quoted above may also be sanctioned As much of this sum as may be absolutely necessary will be utilised

4 If the working expenses amounting to Rs 168 a month for the three months from April to June 1904 or Rs 504 be deducted from the Rs 2500 sanctioned for a year by para 5 of the same Order, a balance of Rs 1996 will be left. I request that a lump sum of Rs 1000 may be sanctioned from this balance as an

advance for the purchase of necessary materials for the Weaving and Carpentry departments of the school, the Superintendent being held responsible for the production of raw materials, manufactured articles, or money almost equivalent to the amount of the advance

I have the honour to be,
Sir,
Your most obedient servant
H Babbitt
